# WHAT WE DO

We are a leading apparel sourcing company specializing in high-quality Denim, Non-Denim, Knitwear, Activewear, and Uniforms.

With a strong global supply chain network and strategic partnerships with certified manufacturers, we deliver customized apparel solutions tailored to our clients' unique needs.

- **Denim** : Jeans, jackets, shorts, skirts in a wide range of washes, fits, and fabrics (including sustainable options).
- **Non-Denim Wovens** : Trousers, chinos, shirts, blouses, skirts, and jackets in cotton, polyester, rayon, and blended fabrics.
- **Knitwear** : T-shirts, polos, hoodies, sweatshirts, dresses, loungewear, and basics.
- **Activewear** : Leggings, sports bras, tank tops, joggers, and performance-wear using technical and moisture-wicking fabrics.
- **Workwear** : Corporate, hospitality, industrial, and school uniforms, designed for durability and brand consistency.

# KNITWEAR

At HAZCO Worldwide, we specialize in sourcing eco-friendly and sustainable hoodies, pullovers, joggers and t-shirts, ensuring high-quality, ethically produced apparel that aligns with your brand's sustainability goals. We work with certified manufacturers and suppliers who prioritize organic materials, ethical labor practices, and eco-conscious production methods.

## Sustainable Raw Material & Process

- Made from organic cotton, recycled polyester, hemp, and bamboo fabrics
- Soft, breathable, and durable for long-lasting wear
- Eco-friendly dyeing and printing options (low-impact dyes, water-based inks)
